Dear Member

RESULTS OF CD BALLOT ON ISO/CD 10368 AND DECISION TO SEND DRAFT FOR LAUNCH OF DIS ENQUIRY BALLOT

Please find enclosed the following documents:

- N257 Editorial comments received from Denmark on ISO/CD 10368
- N258 Draft Resolution C1/2004 on decision to launch DIS ballot on ISO/CD 10368
- N259 Draft form 8A Explanatory report on ISO/DIS 10368

As the editorial comments in N257 relate to missing text in the ISO/CD 10368, I have forwarded the comments to the Convenor of WG 1 for consideration. In addition, I have also arranged for the ISO template to be applied to ISO/CD 10368. After application of the template and incorporation of any changes necessary after consideration of the comments in N257, I shall send the draft to ISO Central Secretariat for launch of the DIS Enquiry ballot.

Any objections to these proposed actions should be sent to me before **2004-02-13**. If no objections are received before **2004-02-13**, draft Resolution C1/2004 will be taken as approved.

Yours sincerely

Dr M J Leggett
