

**RESOLUTIONS OF ISO/TC104/SC4  
MAY 11, 2005  
LONDON, ENGLAND**

- 1) ISO TC104 SC4 resolves to accept the SC4 Secretariat report as presented at its May 11, 2005 meeting in London.
- 2) ISO TC104 SC4 resolves to accept the report of SC4 WG2 as presented by Dr. Christoph Seidelmann at its May 11, 2005 meeting in London.
- 3) ISO TC104 SC4 resolves to accept the recommendation of SC4 WG2 to delay for three months the furthering of ISO 18185-1 and ISO 18185-7. After three months of analysis work, WG2 will convene and decide whether to forward existing versions of ISO 18185-1 and ISO 18185-7 or to substantially rework them. SC4 authorize WG2 to forward its documents at the appropriate time for DIS-ballot in advance of the next meeting of SC4. Vote on this item was unanimous except for one negative from Singapore.
- 4) ISO TC104 SC4 resolves to accept the recommendation of SC4 WG2 to move ISO 18185-2 and ISO 18185-3 into a two-month DIS ballot. Vote on this item was unanimous.
- 5) ISO TC104 SC4 resolves to accept the recommendation of SC4 WG2 to withdraw the Work Item for ISO 18185-5 as no longer being necessary for the electronic seal work. Vote on this item was unanimous with 1 abstention from Japan.
- 6) ISO TC104 SC4 resolves to accept the request from the Convenor of SC4 WG2 for a six-month extension for completion of ISO 18185-1, ISO 18185-4 and ISO 18185-6.
- 7) ISO TC104 SC4 resolves to ask the ISO CS and TMB to establish a formal liaison between ISO/TC8 and its working bodies dealing with security questions and ISO TC104 SC4 to enhance communication between these two Technical Committees and ensure no duplication of activity. ISO TC104 SC4 will nominate a formal representative to attend TC8 WG2 meetings and provide relevant information to needful elements of ISO TC104 SC4.
- 8) ISO TC104 SC4 resolves to accept the report of the ISO TC122/TC104 Joint Working Group as presented by Mr. Craig Harmon at its May 11, 2005 meeting in London.
